

Ecoprint - From the Ecoprint Workshop

President's message

Welcome to another edition of our newsletter.

In the months between our last newsletter and this edition we have all been busy creating some wonderful artwork. This shows in the painting of the month each month.

In June our painting of the month was won by a new member of our group

Cathy Shemansky. Cathy is a pastel artist and her work is very different from what is produced from most of our group.

2nd place was Sue Parry

3rd place was Marija Newbold

In July our winner was

1st Wai Chun

2nd Sue Parry

3rd Susan Pellizzaro

Our P.O.M. is always very hard to vote on because the standard of the work put forward every month is always so high.

August saw our A.G.M. With myself reappointed as your President. Sue as my Vice President again. All other positions are the same with the exception of a new Assistant Treasurer Mary Roberts replacing Maureen who is retiring from committee. Another new person Kylie Gerber is the new Media/ life Drawing and Demonstrations co-ordinator replacing Marija who will be our library coordinator along with Wai Chun.

At our A.G.M we were very excited to vote our wonderful long serving Sue Parry into Life Membership status. Congratulations Sue. She will be presented with her gold badge later in the year.

The next three months sees us all working hard on our art and crafts in the lead up to our November Art Show.

Lorraine Butler, *President of Glenroy Art Group.*

OIL ARTWORK DEMONSTRATION – Gwen Krumins

Gwen Krumins

Gwen's painting

Gwen says,

“Some of my studio work is layered over a number of days/weeks. In this demonstration I will endeavour to produce a finished, or near completed work in oils, so I can impart my whole process of building up the painting and the thoughts I consider during its creation.”

Gelli Plate Printing Workshop

Saturday 19 October, 10.30am to 2pm.

Dear Glenroy Art Group Members,

We have engaged Thea Bates to run a Gelli Plate Printing Workshop on Saturday 19 October, 10.30am to 2pm. The process of Gelli Plate Printing involves using paints, shapes, stencils on a gelatinous plate to create art work. The Gelli Plate can come in many shapes, A4, A3, square, round and many more.

In this workshop, you will be taught how to add paints, shapes and stencils onto a Gelli Plate to be printed onto a sheet of paper. All materials will be supplied in this class, however if you have a Gelli Plate

and any rollers (specific tool for Gelli Plate Printing), please bring them along.

It is free for members, and \$15 for non-members. Class is limited to about 16 people. The list is up on the board if you would like to attend.

Kind Regards,

Kylie Gerber, Activities Coordinator.

Ecoprint Workshop.

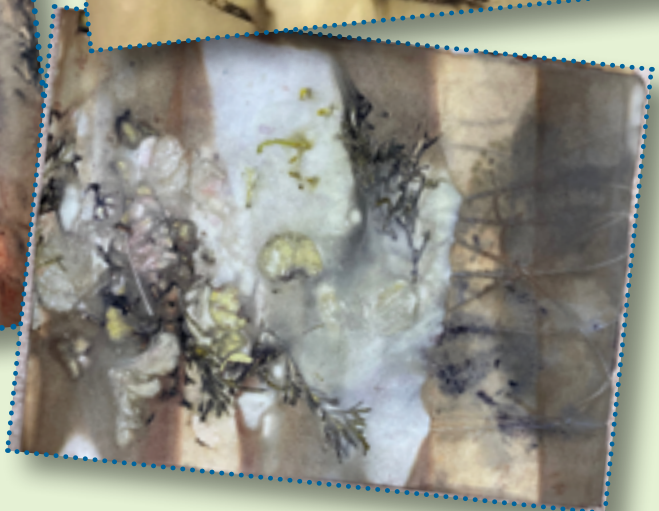

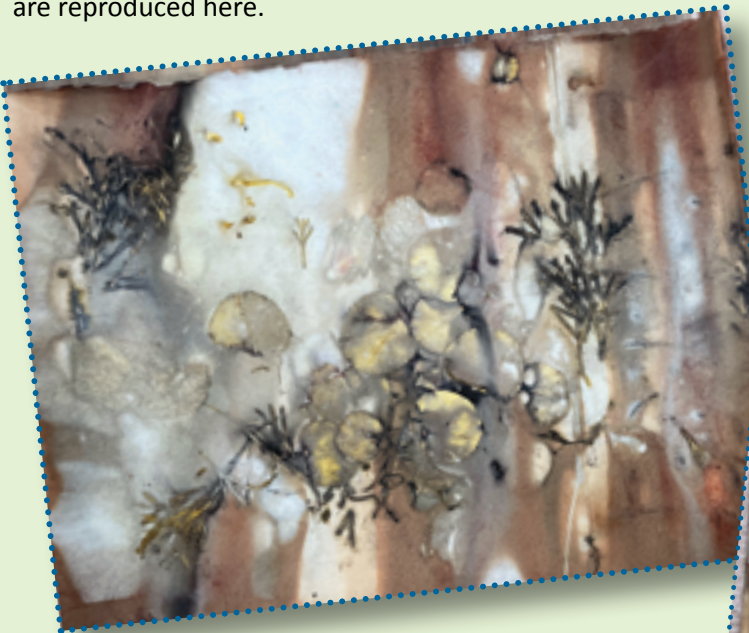

Start with something like this...

We are all still greatly enthused about Eco printing after the demonstration with Robin Randall in May 2023, so we have done another workshop with Robins assistance on 17 August. The place was buzzing with excitement as to what we were going to achieve this time.

She is going to arrange another workshop shortly to help 'plant' some ideas of what we can make with our wonderful creations.

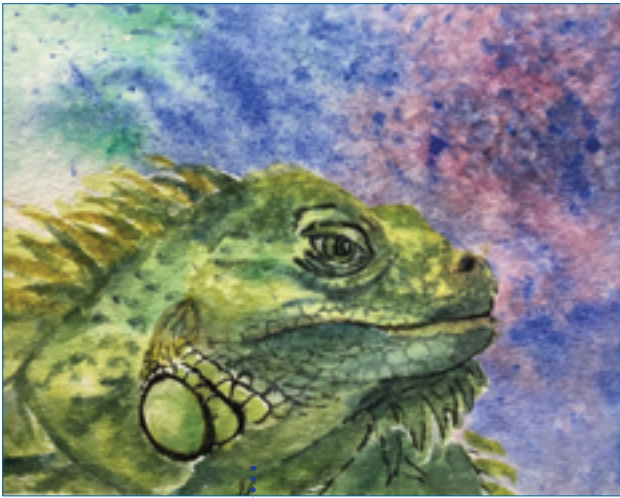

We had a terrific day at the workshop and produced some brilliant prints, some of which are reproduced here.

...to create something like these.
